

GRIGLIA DI PARTENZA GARA  
31-05-2009 - 14:50 10 GIRI

The diagram illustrates the hierarchical structure of the 2020 Tokyo Olympic Games medal table, organized into five rows (FILA 1 to FILA 5) and five columns. Each entry consists of a rank, a name, a country, and a medal count. The ranks are determined by the number of gold medals, then silver, then bronze. The diagram uses brackets to show the grouping of countries within each row and column.
